## L'Dor V'Dor

*From Generation to Generation*

**Rabbi Shalom Rappaport z"l**

Senior Rabbi, Rosh Pina Synagogue, 1967-1988  
Rabbi Emeritus, Rosh Pina and Etz Chayim, 1988-2009

We are told that every man has three names:

One was given to him by Adonai. It is "man".

The second was given to him by his parents, and is used to identify him by his parents.

The other he acquires by himself, during his lifetime.

The latter name is usually the result of his deeds, good or bad; his virtues and the actions he initiates, which serve to give him his reputation. This is how a man is known to his fellow men.

Shalom Rappaport was known to all as a man of Torah, wisdom and *G'milut Hasidim*, good deeds.

With a generous gift from Abe Simkin,  
in loving memory of his wife Fan,  
The Rabbi Shalom Rappaport Chapel  
was dedicated in tribute to  
the Rabbi's service to the  
Jewish Community of Winnipeg.
